## Lamoine Robotics Sweeps the Competition!

On Saturday, November 10, our LCS Robotics Teams competed at the district-level Qualifying Tournament in Searsport. Both teams demonstrated courage, kindness, friendship and perseverance as they participated in four separate competitions, including a team-building challenge, a research-project presentation, a robot design competition, and a robot game. Throughout the day, both teams were faced with challenges. They not only rose to the occasion, but came together as one to creatively solve the problems at hand. In the end, both teams qualified for the State Championship and will advance to Augusta on December 8th. Additionally, the Happy Magnets took 2nd place overall, while the Astro Packs walked away with 2nd place in the robot challenge, 1st place in Core Values and the new Bff award! Congrats to both teams and good luck in Augusta!

## Calling all painters at LCS!

Does your child enjoy painting? Would they enjoy painting large windows? LCS is happy to participate in the Maine Coast Mall's annual Window Painting Celebration & all painters are invited! The celebration will take place on Tuesday, November 20th from 3:00-5:30 at the Maine Coast Mall outside of TJ Maxx. If your student is interested, please contact Miss Miranda @ [mengstrom@lamoineconsolidated.org](mailto:mengstrom@lamoineconsolidated.org). Parents will be responsible for transportation to and from the event. A good time will be had by all!

## **PATRON'S CORNER**

It is that time of year when we begin looking ahead to the Penny Sale and Christmas brunch, both happening in December. Donated gifts are still needed for the Penny Sale, especially those for men. Wrapping paper, bags and supplies are needed as well. Items can be dropped off in the school office.

Please email us at [lcspatrons@gmail.com](mailto:lcspatrons@gmail.com) if you would like to help, donate or have an idea for us. We can be reached in person, via Facebook or by mail as well. Thank you!
